Lunch provided

Selling

35 Bulls

23 Open Heifers

Gelbvieh, Angus, Balancer,
Simmental, & Red Angus Cross

www.schawangcattle.net

SCHAWANG CATTLE CO.

SCHAWANG Cattle Co.

Dear Fellow Cattlepeople,

Thank you for your continued support of our seedstock operation. I could say a lot of things about politics and pandemics and the other chaos that has gone on in the world recently, but it would take too much room and we are all probably on the same page anyway. That is why I like to raise cattle. They are consistent and pleasant.

We hope to see you on Saturday the 20th, and if not you can watch it on DVAuction.

Please give us a call if you have any questions. Thanks again.

Randy & Mindy Schawang

SALE DAY PHONES

Randy's Cell 402-367-2345

Mindy's Cell 402-367-8280

MAIL OR PHONE BIDS

Please contact the auctioneer or owners for absentee bids or to be called during the auction.

TERMS OF SALE

All sales are cash or good check on the day of sale.

Announcements on sale day will take precedence over printed material.

HERD HEALTH

All females are preg-checked open.

Cattle have been managed with a comprehensive vaccination program and parasite control. Bulls will be semen checked. All bulls are virgins. Our herd is at stage 5 of the Johnes Herd Certification program. All animals in the sale have been tested negative for BVD.

**Some cattle are missing data. It will be available on a supplement sheet on sale day and on our web site.*

Sale Conditions, Care & Guarantee

Conditions of Sale

Guarantee, terms and conditions not specifically addressed elsewhere in the catalog will be per respective breed association guidelines. Schawang Cattle Co., sale staff and assistants are not liable for accidents or injury.

Bull Care

Bulls can be left at Schawang Cattle Co. free of charge until breeding season, or July 1. This is to allow our customers flexibility in receiving bulls and to help prevent injury from mixing bulls. Bulls are left at buyer's risk. Schawang Cattle Co will deliver bulls free of charge to Nebraska customers, to connecting states if purchase is over \$5,000, and anywhere in North America if purchase is over \$10,000. We will work with customers to get animals to their new home as economically as possible. And this year we will deliver to Washington DC for free provided we can have lunch with the president and first lady when we are there.

Breeding Guarantee

As written by a lawyer

Bulls are warranted to be breeders (defined as the ability to settle an average number of cows during the first breeding season after attaining 18 months of age), with the exception of bull calves sold at the side of dam, or due to injury or disease suffered or occurring after sale. THIS EXPRESS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESS OF IMPLIED. In the event of a breach of warranty and upon timely notice, Buyer may return the animal for a full refund of the purchase price or, if available, substitution of another of like kind and value. THE REMEDIES SPECIFIED FOR BREACH OF THIS WARRANTY ARE IN LIEU OF ALL OTHER REMEDIES WHATSOEVER, INCLUDING INCIDENTAL OR CONSEQUENTIAL DAMAGES.

As written by Randy

If something goes wrong with the bull in the first 90 days after turnout, we will replace the bull if one is available. We will help you find a replacement if we don't have one, and give you credit toward our next sale for the purchase price less salvage value of the bull that went bad.

If a bull is promoted as a "calving ease/heifer bull" and it turns out that he isn't, we will give you credit toward our next sale of the purchase price less salvage value.

If a heifer purchased on our sale doesn't get pregnant, we will give credit less salvage value for our next sale.

What we will not do is refund or credit more than the purchase price or be responsible for open cows, vet bills or lost calves.

Our goal is that you are happy with the seedstock you purchase from Schawang Cattle Co. In the case of guest consignors on our sale, ask them what their guarantee is.

Breed Average EPDs

Breed	Calving Ease	Birth Weight	Weaning Weight	Yearling Weight	Milk	Total Maternal
Gelbvieh	12	0.1	67	96	21	54
Simmental	4.0	5.3	70	99	37	72
Angus	6	1.2	57	100	25	57
Red Angus	12	-1.8	59	94	25	48

Fall Yearling Gelbvieh/Balancer Bulls

Herdsire

DLW Wardon 24W of 408P

We only had a black & white photo of Wardon because color wasn't yet invented when we took this picture. He is still breeding cows at age 12.

Youngest heifer in the sale. Her mother broke her leg around Thanksgiving but was able to get around OK so we decided to nurse her along and then graft the calf on a different cow if we lost a calf. She was the last cow to calve so that didn't work. And the cow didn't produce much milk with the leg injury.
