# SCHAWANG CATTLE CO.

# SCHAWANG Cattle Co.

Hello Fellow Cattlepeople,

Welcome to our 26th Annual Production Sale. Thank you once again for your ongoing interest and support of our breeding stock program. Again, we have an excellent assortment of bulls and heifers to offer.

The “chance” bug sort of bit us last year, so we only have 2 red bulls and 19 total heifers to offer. More bulls could have been red, and our 2022 calf crop was over 3/4 bulls so we are offering all the heifers but 2.

Our goal remains to provide the best value for your genetic improvement dollar; not the biggest, not the most, just the best value.

Once again, THANK YOU, and we hope to see you on sale day. Please call with any questions.

*Randy & Mindy Schawang*

# Sale Conditions, Care & Guarantee

## Conditions of Sale

Guarantee, terms and conditions not specifically addressed elsewhere in the catalog will be per respective breed association guidelines. Schawang Cattle Co., sale staff and assistants are not liable for accidents or injury.

## Bull Care

Bulls can be left at Schawang Cattle Co. free of charge until breeding season, or July 1. This is to allow our customers flexibility in receiving bulls and to help prevent injury from mixing bulls. Bulls are left at buyer's risk. Schawang Cattle Co will deliver bulls free of charge to Nebraska customers, to connecting states if purchase is over \$5,000, and anywhere in North America if purchase is over \$10,000. We will work with customers to get animals to their new home as economically as possible.

## Breeding Guarantee

*As written by a lawyer*

Bulls are warranted to be breeders (defined as the ability to settle an average number of cows during the first breeding season after attaining 18 months of age), with the exception of bull calves sold at the side of dam, or due to injury or disease suffered or occurring after sale. THIS EXPRESS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESS OF IMPLIED. In the event of a breach of warranty and upon timely notice, Buyer may return the animal for a full refund of the purchase price or, if available, substitution of another of like kind and value. THE REMEDIES SPECIFIED FOR BREACH OF THIS WARRANTY ARE IN LIEU OF ALL OTHER REMEDIES WHATSOEVER, INCLUDING INCIDENTAL OR CONSEQUENTIAL DAMAGES.

*As written by Randy*

If something goes wrong with the bull in the first 90 days after turnout, we will replace the bull if one is available. We will help you find a replacement if we don't have one, and give you credit toward our next sale for the purchase price less salvage value of the bull that went bad.

If a bull is promoted as a "calving ease/heifer bull" and it turns out that he isn't, we will give you credit toward our next sale of the purchase price less salvage value.

If a heifer purchased on our sale doesn't get pregnant, we will give credit less salvage value for our next sale.

What we will not do is refund or credit more than the purchase price or be responsible for open cows, vet bills or lost calves.

Our goal is that you are happy with the seedstock you purchase from Schawang Cattle Co. In the case of guest consignors on our sale, ask them what their guarantee is.

## DLW Wardon 24W of 408P

We only had a black & white photo of Wardon because color wasn't yet invented when we took this picture. He was still breeding at 12.5 years old, but then quit and died last summer.

# Yearling Balancer Heifers

Our spring 2022 calf crop was nearly 3/4 bulls. Therefore, we are selling all of the 2022 heifers except one with horns and one that Dawson wanted to keep because her dam was open last fall. I was also happy with the pelvic area of the heifers; none were too small. I guess directing a breeding program with high quality females for 30 years has paid off.
